Machine Sprayer Job Interview Preparation Guide.

Question # 1

What type of salary are you looking for?

Answer:-

This can be a very tricky question as the individual asking it is probably digging for something other than a simple answer to the question. We recommend that you don't immediately respond to the question directly. Instead, say something like, "That a difficult question. What is range for this position?" More often than not the interviewer will tell you. If the interviewer insists on direct answer you may want say that it depends on the details of the job - then give a wide salary range.

Question # 3

Explain what are your weaknesses As Machine Sprayer?

Answer:-

Red flags: This is the peanut butter to the previous question's jelly. Again, everyone should expect it, so it's a bad sign if someone seems totally unprepared, or gives a stock answer like, "I'm a perfectionist." Also, of course, candidates crazy enough to blurt out some horrible personality trait should go in the red flagged pile.

Good answer: Candidates should talk about a real weakness they've been working on improving. For instance, they're not good at public speaking, but they've been taking a course to help them improve. Or maybe they feel that they're easily distracted when working online, but have installed software that helps them stay on task. Answers like these show a desire for improvement, self awareness and discipline.
