### **Question # 28**

If you look at a clock and the time is 3:15, what's the angle between the hour and the minute hands?

### **Answer:-**

Usually, if the answer to a brainteaser seems too easy, chances are the answer's wrong. And in this case, the answer is not zero degrees. The hour hand, remember, moves as well. That is, in addition to the minute hand. And so, at 3:15, the hour hand and the minute hand are not on top of each other. In fact, the hour hand has moved a quarter of the way between the 3 and 4. This means it's moved a quarter of 30 degrees (360 degrees divided by 12 equals 30). So the answer, to be exact, is seven and a half degrees (30 divided by four).

### **Question # 43**

What are your salary expectations As Meat Stock Clerk?

**Answer:-**

This question is like a loaded gun, tricky and dangerous if you're not sure what you are doing. It's not uncommon for people to end up talking salary before really selling their skills, but knowledge is power as this is a negotiation after all. Again, this is an area where doing your research will be helpful as you will have an understanding of average salary.

One approach is asking the interviewer about the salary range, but to avoid the question entirely, you can respond that money isn't a key factor and you're goal is to advance in your career. However, if you have a minimum figure in mind and you believe you're able to get it, you may find it worth trying.

### **Question # 56**

Does your boss know you're here today?

#### **Answer:-**

Usually, you probably haven't told your boss for obvious reasons. So it's ok to say that they do not. You don't want to upset the balance at your current job after all and nothing is guaranteed in an interview. The interviewer should understand this stance.

[Read More Answers.](#)

### **Question # 57**

What do you think is your greatest weakness?

#### **Answer:-**

Don't say anything that could eliminate you from consideration for the job. For instance, "I'm slow in adapting to change" is not a wise answer, since change is par for the course in most work environments. Avoid calling attention to any weakness that's one of the critical qualities the hiring manager is looking for. And don't try the old "I'm a workaholic," or "I'm a perfectionist."
